

POOL BLASTER MAX

Pool Blaster MAX gives the user extra power for deep cleaning with its Super - High - Flow pump contained within the unit. Vacuuming capabilities are maintained longer since the larger bag holds more dirt and debris, tackling the largest of messes in the pool. Pool Buster MAX is the most effective way there is to clean a pool or spa and its Easy empty bag allows you to clean the bag with out dirtying your hands,. Wall mountable for Grab 'n Go convenience!
